SOURCE INSPECTION (FINAL INSPECTION)

REVISION HISTORY

REV.	EFFECTIVE DATE	NOTES
-	05/16/2012	Initial Release
1	10/12/2026	Updated email and usage of Kiteworks secure email for transmittal of technical data.
The applicable revision of this document is determined by: • The revision specified on the purchase order, or • The revision in effect at the time of the purchase order if no revision is listed on the purchase order.		

REQUIREMENTS

All deliverable items covered by this purchase order line require final inspection and/or test acceptance witness at the supplier's facility by a GDOTS representative prior to shipment. The supplier shall make available to the GDOTS representative, at time of presentation of items, the supplier's inspection, manufacturing, traceability and material review records. The GDOTS buyer shall be notified by Email at seattle-sourceinspection@gdots.com a minimum of five working days (excluding weekends and holidays) in advance to schedule such inspections. Include the following in the final source inspection request email: purchase order number, line item number, part name, part number, and quantity.

All technical data shall be submitted via Kiteworks secure email service to seattle-sourceinspection@gdots.com.

Contact GDOTS Seattle Procurement for assistance as required.
